A terrible experience

Hello, I'm Bob from Scotland and this is my story: "I have always wanted to go fishing. Last summer, I went on a trip to Taiwan. On the last day of my vacation, I went fishing on a beautiful lake. Unfortunately, I didn't catch any fish, and I got bored. I decided to go swimming. When I stood up, my wallet fell out of my pocket and into the water. It had all my money, my passport, my plane tickets – everything. I jumped into the lake to look for it, but I didn't find anything. The next morning, I wasn't able to leave the hotel. I had no money to pay the bill and no plane ticket or passport to go home. So what did I do? I called my brother and asked for some money. I've never had such a terrible experience."
