Read the text carefully and answer the questions

It was a famous night at the World Film Awards ceremony last night in Hollywood. Thousands of people were waiting outside the famous Globe Hall to see the celebrities arrive. First to arrive was the beautiful Lorna Glade. As Lorna was getting out of her limousine, the crowd cheered and shouted. She looked fabulous in a long pink and silver dress. While Lorna was walking along the red carpet towards the door of Globe Hall, the photographers took hundred of pictures. And her lovely smile was on the front page of every newspaper this morning. Sadly, Lorna wasn't lucky this time. I spoke to her as she was leaving the party after the awards ceremony and she didn't seem too disappointed. Next to arrive was handsome Frank Dent, star of the film *Talk About It* and winner of last year's best actor award. Frank now lives on his own private island in the Indian Ocean and is one of the richest

celebrities in the world. Not many people can believe how rich Frank is. And, of course, there are many who say he should use some of his money to help poor people and not spend it all on things like private planes and yachts. But Frank couldn't afford to buy a pair of shoes when he began his career as an actor. Now he's rich, he's having a great time spending his money.

Unfortunately, while the stars were arriving, it started to rain. But that didn't stop the crowd from having fun. It was raining so heavily that for a few minutes we weren't able to see who was walking along the red carpet. But after a few minutes the weather got better and we could put our umbrellas down again. Every one at World Film Awards had an enjoyable evening. Frank Dent won the best actor award again. And John Lincoln won the best director award for the first time.
