III. WRITING (10 POINTS)

Write a reply to the following email that you've received from your English friend.

Dear friend,

How are you doing? I hope you are fine. I just want to tell you that I'm having some problems with my parents; they don't let me go out at night, or invite my friends. They're always complaining about my hairstyle, the way I dress or the kind of music I listen to. They're making my life terrible! What about you? Do you have any problems with your parents? How do they treat you? Tell me about your relationship with them.

Dear friend,

I am very fine and very well. Thanks for asking. So what about you? Are you fine? I hope you are having a great time. Thank God I don't have problems with my parents, they treat me well and respect my ideas, they also give me a private space to do what I want, but nevertheless they are asking me about my friends and my activities outside the house and sometimes they don't let me go out such as night, but this is their responsibility towards me. My parents just like yours are worried about me and care too much about me and my life because they love me, they are just trying to be good parents and to do what's good for me. This should not be a problem because they are your parents and they love you no matter what you did. So I think you should do what they are asking you to do. Bye for now.

your best friend
